

RYHILL SAFE SCHEME – SUMMARY OF MAY 2023 REPORT

The Safe Scheme Coordinator continues to work closely with Parish Council on priority areas and issues raised as concerns by parishioners.

A total of 18 police constable hours were worked during the month of May. These included:

- High visibility foot patrols and patrols in a marked police vehicle, including around the school on Chapel Street
- Officers noted a car that had left the road and been left in a field. Enquiries were made and there was enough evidence to prosecute the driver for driving with undue care and attention. The driver has since been prosecuted
- Speed gun enforcement where 2 tickets were issued for speeds in excess of 30 mph
- Multiple checks on vehicles, including checking on PNC
- Patrols on off road motorbikes on local tracks and fields to address the ongoing issue of nuisance motorbikes. One nuisance motorbike was seized
- Patrols of local areas known for ASB.

There were 2 priority crimes in Ryhill during the month:

- Attempt of theft of motor vehicle where entry has been gained into the car but could not be started
- Theft of a motor vehicle where the car was stolen using unknown means from a car park.
