

RYHILL SAFE SCHEME – SUMMARY OF JUNE 2023 REPORT

The Safe Scheme Coordinator continues to work closely with Parish Council on priority areas and issues raised as concerns by parishioners.

A total of 18 police constable hours were worked during the month of June.

These included:

- Speed checks in the village with 2 vehicles prosecuted for speeding
- Vehicle stopped because of erratic driving through the village. The vehicle had no MOT so the driver was prosecuted for that offence
- Pursuit of an off-road motorcycle around the village. It went off road and escaped on Tup Lane. A crime was recorded for dangerous driving and enquiries are ongoing
- Patrols around The Libb, The Stray and the dental surgery. A nominal was located at the junction of these locations and was moved on to avoid any issues
- Patrols on off-road motorcycles were made around the usual locations for nuisance bikes. There were none around, frustratingly
- Patrols were made around the village. A dog walker reported traps laid in local woods in an aim to discourage nuisance bikes. Police removed them. A male behaving suspiciously was reported to the patrol. A search was made but the male was not found. The male has prompted numerous reports to police because of erratic behaviour and the local NPT is working to target the male's behaviour.

There were 2 priority crimes in Ryhill during the month:

- Attempt of burglary at a dwelling where a ground floor window has been damaged, presumably to gain entry to the property
- The second is an attempt burglary to a business where a male was seen kicking the shutters of a local shop, again presumably to gain entry.

There was one instance of damage (domestic related).
