Ryhill Parish Council
Completion of the limited assurance review for the year ended 31 March 2022

Dear Cllr Bashforth

We have completed our review of the Annual Governance & Accountability Return (AGAR) for Ryhill Parish Council for the year ended 31 March 2022. On 27 September 2022, we issued an 'interim' report in respect of our review of Ryhill Parish Council's AGAR for the year ended 31 March 2022. We explained the reasons that we were unable to certify completion of the review at that time. We are now able to certify completion of the review. The final external auditor report and certificate is included for your attention as another attachment to the email containing this letter, along with a copy of Sections 1 and 2, on which our report is based, and a copy of our 'interim' Section 3 report. The smaller authority must consider the final external auditor report and decide what, if any, action is required.

Action you are required to take at the conclusion of the review

The Accounts and Audit Regulations 2015 (SI 2015/234) set out what you must do at the conclusion of the review. In summary, you are required to:

- Prepare a "Notice of conclusion of audit" which details the rights of inspection, in line with the statutory requirements. We attach a pro forma notice you may use for this purpose (a Word version is available on request).
- Publish the "Notice" along with the AGAR (Sections 1, 2 & 3) and our attached final report and certificate before 30 September (or as soon as possible where this date has passed), which must include publication on the smaller authority's website. (Please note that when the statute and regulations were amended in 2014 and 2015, they did not include a requirement for the length of time that for which the Notice must be published. There is no requirement for the Notice to be publicly accessible for 5 years, as there is for the AGAR and the external auditor report and certificate. The previous statute required 14 days; but it is now up to the authority to make this decision).

- Keep copies of the AGAR (Sections 1, 2 & 3) and the attached final report and certificate available for purchase by any person on payment of a reasonable sum.
- Ensure that Sections 1, 2 and 3, plus the attached final report and certificate, of the published AGAR remain available for public access for a period of not less than 5 years from the date of publication.

Fee

We enclose our fee note, on page 4 of this attachment, for the limited assurance review, which is in accordance with the fee scales set by Smaller Authorities' Audit Appointments Ltd which can be found at <https://saaa.co.uk/fees.html>. This fee is statutory which must be paid and is due immediately on receipt of invoice, please arrange for this to be paid **at the earliest opportunity**.

Additional charges are itemised on the fee note, where applicable. These arise where either:

- we have had to issue chaser letters and/or exercise our statutory powers due to a failure to provide an AGAR by the submission deadline; or
- it was necessary for us to undertake additional work.

Please return the remittance advice with your payment, which should be sent to: PKF Littlejohn LLP, Ref: Credit Control (SBA), 5th Floor, 15 Westferry Circus, Canary Wharf, London, E14 4HD. Please include the reference WY0063 or Ryhill Parish Council as a reference when paying by BACS.

4. An authority with either gross income or gross expenditure exceeding £25,000 or an authority with neither income nor expenditure exceeding £25,000, but which is unable to certify itself as exempt, or is requesting a limited assurance review, **must** return to the external auditor by email or post (not both) **no later than 30 June 2022**. Publication Requirements

Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website/webpage:

Before 1 July 2022 authorities **must** publish:

- Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited;
- **Section 1 - Annual Governance Statement 2021/22**, approved and signed, page 4
- **Section 2 - Accounting Statements 2021/22**, approved and signed, page 5

Not later than 30 September 2022 authorities **must** publish:

- Notice of conclusion of audit
- **Section 3 - External Auditor Report and Certificate**
- **Sections 1 and 2 of AGAR** including any amendments as a result of the limited assurance review.

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

*for a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.

Guidance notes on completing Form 3 of the Annual Governance and Accountability Return (AGAR) 2021/22

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this AGAR. *Proper Practices* are found in the *Practitioners' Guide** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty), and is properly signed and dated. If the AGAR contains unapproved or unexplained amendments, it may be returned and additional costs will be incurred.
- The authority **should** receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2022.
- The Annual Governance Statement (Section 1) must be approved on the same day or before the Accounting Statements (Section 2) and evidenced by the agenda or minute references.
- The Responsible Financial Officer (RFO) must certify the accounts (Section 2) before they are presented to the authority for approval. The authority must in this order; consider, approve and sign the accounts.
- The RFO is required to commence the public rights period as soon as practical after the date of the AGAR approval.
- Do not send the external auditor any information not specifically requested. However, **you must inform your external auditor about any change of Clerk, Responsible Financial Officer or Chairman, and provide relevant authority owned generic email addresses and telephone numbers.**
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the AGAR covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (**Section 2, page 5**). An explanation **must** be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide**.
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or variances are not fully explained, additional costs may be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2021) equals the balance brought forward in the current year (Box 1 of 2022).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights of 30 consecutive working days which **must** include the first ten working days of July.
- The authority **must** publish on the authority website/webpage the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor **before 1 July 2022**.

Section 3 – External Auditor's Report and Certificate 2021/22

In respect of

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2022; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor's limited assurance opinion 2021/22

(Except for the matters reported below)* on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met. (*delete as appropriate).

(continue on a separate sheet if required)

Other matters not affecting our opinion which we draw to the attention of the authority:

(continue on a separate sheet if required)

3 External auditor certificate 2021/22

We certify/do not certify* that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2022.

*We do not certify completion because:

Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2022; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

External auditor report 2021/22

On 27 September 2022, we issued a report detailing the results of our limited assurance review of Sections 1 and 2 of this authority's Annual Governance & Accountability Return for the year ended 31 March 2022. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review.

The external auditor report given in Section 3 of the Annual Governance & Accountability Return requires amendments as follows:

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

1. In our view, the responses to Assertions 1 and 3 of the Annual Governance Statement should be 'No' due to the Council's failure to publish documentation on a publicly available website, in accordance with statutory requirements. We note that for many years the Council has failed to publish all the required documentation on a publicly available website and we have raised reporting issues relating to this fact in our external auditor report on the AGAR each year since 2016/17. It has previously used the Wakefield Council website; however, we note that the Council launched its own website in January 2023 and should ensure that it complies with all its statutory publication requirements from 2023/24 onwards. The Council should consider this issue when discussing its responses to the governance assertions on the 2022/23 AGAR.
2. The smaller authority has disclosed that it made proper provision during the year 2021/22 for the exercise of public rights, by answering 'Yes' to Section 1, Assertion 4. However, as noted above, we are aware that it failed to do this and therefore should have answered 'No' to this assertion. It has also disclosed that it took appropriate action on all matters raised in reports from internal and external audit, by answering 'Yes' to Section 1, Assertion 7, which, on the basis of the above, is not correct.

**Final External Auditor Report and Certificate 2021/22 in respect of
Ryhill Parish Council WY0063**

Page 2 of 2

3. The AGAR was not accurately completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when completing next year's AGAR:
 - Section 2, Box 2, the annual precept, does not agree to the figure published by the precepting authority. The figures in Boxes 2 and 3 should read £54,185 and £4,606 respectively. All grants, including Council Tax Support Grant, should be shown in Box 3, as per the guidance notes on the AGAR.

Other matters not affecting our opinion which we draw to the attention of the authority:

1. We note that the smaller authority did not comply with Regulation 15 of the Accounts and Audit Regulations 2015 as it failed to make proper provision during the year 2022/23 for the exercise of public rights, since the correct information was not published on a website. As a result, the smaller authority must answer 'No' to Assertion 4 of the Annual Governance Statement for 2022/23 and ensure that it makes proper provision for the exercise of public rights during 2023/24.
2. We note that the Council's new website does not provide a contact email address for any councillors and there is currently a vacancy for the position of Clerk. Please note the new mandatory requirement of the 2023 Practitioners' Guide, which represents proper practices that local councils must follow in future:

1.26 Email management - every authority should have an email account that belongs to the council and to which the council has access – this ideally would be a .gov.uk or .org.uk address or could be an address linked to the council website.

3. We received challenge correspondence in relation to the 2021/22 AGAR which we considered before completing our work. The authority will receive an invoice in relation to this additional work.

External auditor certificate 2021/22

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance & Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2022.

We have written to the Council and received its formal response and all of the additional information that we requested. All documents material to our decisions on the accepted objections are in the public domain or have previously been shared with you.

You have not asked us to consider reporting on these matters in a public interest report or to consider the lawfulness of the expenditure in 2021/22; however, we have considered whether each accepted objection should be included in a public interest report and whether we should apply for a declaration under section 28(3) of the Local Audit and Accountability Act 2014 (the 2014 Act) in respect of objection 1.

Our decisions following consideration of the accepted objections under Step 3 of the National Audit Office's Auditor Guidance Note 04 are set out below:

Objection 1: You object to the inclusion of an item of expenditure of £2,102 relating to 2020/21 in the 2021/22 AGAR

Findings: This objection relates to an item of account in Box 6 of the Accounting Statements. We note that the invoice was dated 12 March 2021, related to services provided in the 4th quarter of the 2020/21 financial year and was received on 29 March 2021. We also note that the invoice was paid by cheque dated 20 April 2021 (which cleared the bank later that month) and since the Council's accounts are prepared on the receipts and payments (cash) basis, the payment was correctly included in Box 6 of the 2021/22 AGAR.

Conclusion: We do not uphold this objection.

Objection 2: You object to the Council's failure to publish documentation on a publicly available website in line with its statutory requirements.

Findings: This objection relates to the responses given in Assertions 1 and 3 of the Annual Governance Statement. We note that for many years the Council has failed to publish all the required documentation on a publicly available website and we have raised reporting issues relating to this fact in our external auditor report on the AGAR each year since 2016/17. It has previously relied on the Wakefield Council website; however, we note that the Council launched its own website in January 2023 and should ensure that it complies with all its statutory publication requirements from 2023/24 onwards.

Conclusion: We uphold this objection and are minded to raise a reporting matter in our external auditor report on the 2021/22 AGAR in respect of this matter.

Having considered whether each accepted objection should be included in a public interest report and whether we should apply for a declaration under section 28(3) of the 2014 Act in respect of objection 1, we have decided not to take either course of action.

Please note that there is no right of appeal against a decision not to issue a public interest report in respect of any of the objections. With regard to objection 1, you have a right to appeal our decision not to apply for a declaration under section 28(3) of the 2014 Act. Should you wish to do so, you must appeal to the High Court within the period of 21 days beginning with the day after you receive this statement of written reasons.

At this stage, we would like to remind both you and the Council of the need to ensure compliance with relevant data protection legislation (including GDPR). This could include, for example, redacting personal information (such as the objector's name, address or other identifying information) from any subsequent publication or sharing of the objections and related correspondence.

Yours sincerely

PKF Littlejohn LLP

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

*for a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.

Guidance notes on completing Form 3 of the Annual Governance and Accountability Return (AGAR) 2021/22

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this AGAR. *Proper Practices* are found in the *Practitioners' Guide** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty), and is properly signed and dated. If the AGAR contains unapproved or unexplained amendments, it may be returned and additional costs will be incurred.
- The authority **should** receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2022.
- The Annual Governance Statement (Section 1) must be approved on the same day or before the Accounting Statements (Section 2) and evidenced by the agenda or minute references.
- The Responsible Financial Officer (RFO) must certify the accounts (Section 2) before they are presented to the authority for approval. The authority must in this order; consider, approve and sign the accounts.
- The RFO is required to commence the public rights period as soon as practical after the date of the AGAR approval.
- Do not send the external auditor any information not specifically requested. However, **you must inform your external auditor about any change of Clerk, Responsible Financial Officer or Chairman, and provide relevant authority owned generic email addresses and telephone numbers.**
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the AGAR covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (**Section 2, page 5**). An explanation **must** be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide**.
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or variances are not fully explained, additional costs may be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2021) equals the balance brought forward in the current year (Box 1 of 2022).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights of 30 consecutive working days which **must** include the first ten working days of July.
- The authority **must** publish on the authority website/webpage the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor **before 1 July 2022**.

Section 3 – External Auditor Report and Certificate 2021/22

In respect of **Ryhill Parish Council - WY0063**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2022; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor report 2021/22

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

We are unable to complete our review work on the AGAR and supporting documentation as a result of correspondence received in relation to 2021/22 and/or prior years. Once we have finalised our review and completed any additional work arising from that correspondence, a final report will be provided with the certificate of completion detailing any qualifications and 'other' matters.

Our fee note for the limited assurance review will be issued when we certify completion.

Other matters not affecting our opinion which we draw to the attention of the authority:

Please see above.

3 External auditor certificate 2021/22

We do not certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2022

We do not certify completion because:

We have received correspondence bringing information to our attention that we must consider before certifying the completion of our review and the discharging of our responsibilities.
