

RYHILL SAFE SCHEME – SUMMARY OF JULY 2023 REPORT

The Safe Scheme Coordinator continues to work closely with Parish Council on priority areas and issues raised as concerns by parishioners.

A total of 15 police constable hours were worked during the month of July.

These included:

- Speed checks in the village with 3 motorists prosecuted for speeding
- A Police marked vehicle made patrols in the village aimed at people driving vehicles illegally. Vehicles were stopped and checks made. Words of advice were given to various motorists about their driving
- Members of the community reported a green quad bike driving at speed but this has so far not been located. Other members of the public also engaged with officers and thanked them for stopping speeding vehicles (an ongoing issue)
- A parked vehicle near St Paul's and the sandwich shop was advised about inappropriate parking during patrols around the village
- Due to the number of complaints about motorcyclists and off-road motor cycles a lot of time was spent patrolling the usual hot spots. Despite the holidays and visits to addresses of known bike nominals there was no one at home and none of the usual suspects seen
- Several mopeds were stopped and checked but all were in order.

There were 3 priority crimes in Ryhill during the month:

- Attempt of burglary at a dwelling where damage had been caused to a door, presumably to gain entry to the property. No entry was gained.
- There were 2 thefts of motor vehicles: both locked and secured and stolen without keys. Both occurred on the same night. Enquiries are ongoing.
