

RYHILL SAFE SCHEME – SUMMARY OF AUGUST 2023 REPORT

The Safe Scheme Coordinator continues to work closely with Parish Council on priority areas and issues raised as concerns by parishioners.

A total of 16 police constable hours were worked during the month of August. These included:

- Speed gun enforcement on roads coming into Ryhill. Numerous vehicles were checked and three drivers were issued with tickets for speeding in a 30mph zone. A fourth driver was reported to court because his speeding was so excessive (66mph in a 30mph zone)
- Multiple checks were made on vehicles approaching on Nostell Lane and 3 drivers were pulled over and cautioned about their speeds. A well-known nominal from Hemsworth was sighted and a report was submitted to community intelligence about drugs supply from an address in Ryhill
- Patrols on off road motorbikes on local tracks and fields to address the ongoing issue of nuisance motorbikes. One nuisance motorbike rider was detained and he will be prosecuted for riding a motor bike along the tracks
- Dog walkers on tracks and bridleways stated that they felt safer knowing the police were patrolling there
- Patrols of all local streets were made, including those known for ASB. Revellers heading for and from The Libb were advised about their conduct but they kept quiet and there were no issues
- Officers attended the area adjacent to The Stray to look at an abandoned vehicle that had clearly been involved in a RTC. It was taxed and insured. A visit was made to the owner and they were instructed to remove the vehicle.

There was 1 priority crime in Ryhill during the month:

- Theft of a motor cycle which was later located abandoned in nearby woods.
