

RYHILL SAFE SCHEME – SUMMARY OF MARCH 2025 REPORT

The Safe Scheme Coordinator continues to work closely with Parish Council on priority areas and issues raised as concerns by parishioners.

A total of 27 police officer hours were worked during the month of March at various times during the day and early hours of the morning.

There was **1 priority crime** in Ryhill this month. This was:

- A theft of a motor vehicle where the car was stolen from the roadside using unknown means. The vehicle was recovered from a car park in Notton.

Patrols included the following:

- The traffic officer conducted 3 separate patrols in the village and issued the following: 2 x tickets for using mobile phone; 6 x tickets for excessive speeds; 1 x ticket for illegal parking outside school; 9 x tickets for not wearing seatbelts; 2 x tickets for glass not as prescribed; 3 x tickets for dangerous condition of vehicle including smashed windscreen, missing wheel nuts, trailer without brakes and lights; 1 x ticket for no MOT; 1 x DVLA seizure (vehicle last taxed June 2023). The officer located a black and orange KTM motorcycle with No VRM plate and the rider wearing a balaclava on Cow Lane. The officer was unable to detain the rider because he kept going off road and out of sight into the estate
- Several officers made a total of 3 separate patrols on off-road motorcycles targeting nuisance bikes because these are an ongoing and priority issue reported by members of the public. The greenspaces and fly lines, as well as the road network, were targeted. Officers received intelligence about off-road motorcycles and anti-social behaviour and are continuing to target known perpetrators. Officers are also liaising with local tenancy support personnel to arrange visits to certain addresses. A male riding a Surron was detained and issued with a ticket and section 59 warning. A driver driving erratically was stopped and it was clear he was using his mobile phone. He was issued with a ticket for using his phone while driving. On another occasion during patrols to check parking outside schools and the Park and Stray a member of the public reported rumours that poisoned dog food was being left around the area for dogs to eat. The officer gave reassurance that nothing had been reported to local officers about this
- Officers made 2 separate patrols in the village. These were of a general nature, addressing parking outside schools and traffic using the main route through the village. Nothing was identified. On another occasion an officer received reports that although there were no issues that day, parking outside schools is a regular problem. An officer spoke with local shopkeepers about any issues. Although there were none to report they acknowledged that this would be a general concern as the weather improves.
