

RYHILL SAFE SCHEME – SUMMARY OF OCTOBER 2025 REPORT

The Safe Scheme Coordinator continues to work closely with Parish Council on priority areas and issues raised as concerns by parishioners.

A total of 22 police officer hours were worked during the month of September at various times during the day and early hours of the morning.

There was 1 priority crime in Ryhill this month. It was a burglary where an unoccupied property was entered and items stolen from within.

There was one incidence of damage. Damage was caused to several fence panels at one address.

Patrols included:

- Traffic officer made a 4-hour tour of duty and achieved the following: 2 x TOR for seatbelt offences; 1 x TOR for non-conforming VRM; 1 x TOR for glass not as prescribed; 1 x TOR for speeding; 1 x TOR for not taking due care (driver nearly caused a collision due to manner of driving); 1 x TOR for vehicle dangerous condition (tinted windows with only 7% light transfer)
- An officer made 2 patrols in a marked police vehicle in the usual hotspots in the village the purpose being to deter ASB which has seen an increase in nearby Havercroft. Entry and exit points for off-road motorcycles were also checked
- A total of 8 patrols (3 different officers) were made on off-road motorcycles. Members of the public reported increased activity of off-road bikes coming from Felkirk and South Hiendley. Officers covered all the usual hotspots in and around the village, and also the woods and bridleways. On one occasion a suspicious vehicle was stopped. The vehicle was uninsured and driver had no licence. The vehicle was seized and the driver reported to court. Officers are on the look out for a very distinctive motorbike that illuded one officer. Despite their best efforts the bike has not yet been found. However, on another occasion, an officer issued a TOR to a motorcyclist who was commuting through Ryhill from Barnsley to Crofton.
