

RYHILL SAFE SCHEME – SUMMARY OF JUNE 2026 REPORT

The Safe Scheme Coordinator continues to work closely with Parish Council on priority areas and issues raised as concerns by parishioners as well as working directly with local residents.

A total of 29 police officer hours were worked during the month of June at various times during the day and early hours of the morning.

There was one priority crime in Ryhill this month. This was the theft of a motor vehicle from Anglers Country Park which comes under Ryhill.

Patrols included:

- **3 separate tours of duty by the traffic officer in a marked police vehicle who issued the following:**
Tour 1: 1xTOR -drive otherwise than in accordance with licence; 1xTOR – Dangerous condition (heavily tinted windows; 2xTOR -no seatbelt; 1xTOR – glass not as prescribed; 2xTOR -non-conforming VRM;1xTOR – fail to maintain lights.
Tour 2: 2xTOR – illegal parking; 1xTOR – dangerous condition (collision damage to front); 3xTOR – no seatbelt; 1xTOR – non-conforming VRM
Tour 3: 1xTOR – excess speed in 30mph zone; 1xTOR – insecure load; 4xTOR- no seatbelt; 1xTOR – incorrectly registered vehicle.
The officer also conducted searches at addresses linked to nominal for vehicle that is being driven without licence, insurance or VEL but to no gain
- **A tour was conducted by an officer on foot patrol.** He covered all areas of Ryhill including the allotments, parks, leisure complex and school parking. He spoke to children and MOPs but there were no issues found on this occasion, including no illegal parking outside the schools.
- **A late night/early hours tour was conducted by an officer in a marked police vehicle.** The officer reports 2 fail to stops: an off-road motorcycle and a car that sped off from Station Road/Nostell Lane. Although both were pursued, they were lost when the bike went off-road and the car sped towards South Hiendley. There are ongoing enquiries to identify the vehicle. General patrols were carried out all with the intention of being vigilant to suspicious persons and vehicles and to disrupt any criminality in the area.
- **6 separate tours of duty were conducted by 3 separate off-road motorcycle officers.** One officer conducted 2 tours of duty on the fly lines, bridleways, greenspaces and road networks. On one occasion 1xTOR for no seat belt was issued on Mill Lane and on another a white SUR-RON was spotted on Mill Lane which sped off towards South Hiendley.
Another officer conducted 2 separate patrols. Acting on intelligence he visited the home address of a local resident reported for riding a motor-cycle with no insurance. He located the bike in the rear garden so was not out and about on that occasion. On another day the officer addressed intelligence relating to daytime thefts of vehicles.

The MO is always the same. Drivers park their cars in secluded spots to go walking in the nearby woodland. They return to find their vehicles stolen. Areas of note are Anglers Country Park and the various laybys around the area. The team are conducting high visibility patrols as well as looking for ASB on motorcycles. These patrols are also being conducted around Rycroft Surgery and rear of the Premier for drug dealing. This intelligence had been submitted by a local resident. No issues were found on that day.

Another officer carried out 2 separate tours of duty covering the usual areas noted for ASB on motorcycles. In addition to high visibility patrols the officer spoke to some young people on an e-scooter. He warned them about correct use and they walked home. A check on a scooter on Cow Lane resulted in a seizure for a licence issue and the driver was issued with a TOR.
