7 separate tours of duty by 3 off-road motorcycle officers:

Officers carried out the usual patrols of the village and the fly-lines, some vehicle checks and surveillance for e-scooter anti-social behaviour. On one occasion the user of an electric bike was detained, the bike seized and the rider will be prosecuted for driving offences. On occasion 2 officers working together seized 2 road going motorcycles being ridden in an anti-social manner and without appropriate documents. The riders will be prosecuted.

An officer visited a property where the occupant was causing concerns, making sure they knew they were aware and in the area.

4 separate tours of duty by 3 officers:

Officers carried out general patrols of the village, covering known areas for ASB. Some were foot patrols; others were in a marked or unmarked police vehicle, on the lookout for suspicious activity given the spate of burglaries and thefts in neighbouring villages.

Officers engaged with children playing normally in the leisure and park areas – no problems. One officer spotted a male on dark clothing and balaclava on a Sur-Ron electric bike but he made off on seeing the officer and being in an unmarked vehicle was unable to stop him.
